### **EXAMINER'S REASON FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: the prior art of record does not teach or suggest individually or in combination the limitation of a background memory manager (BMM) for managing a memory in a data processing system, the BMM comprising: circuitry for transferring data to and from an outside device and to add from a memory; a memory state map associated with the memory; and a communication link to a processor; characterized in that the BMM manages the memory, determining if each data structure fits into the memory, deciding exactly where to place the data structure in memory, performing all data transfers between the outside device and the memory, and maintaining the memory state map according to memory transactions made, and informing the processor of new data and its location.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
